

Capability STATEMENT

SUB MARINE SERVICES LTD

Commercial Divers,
Marine Contractors &
Underwater Engineers

COMPANY SUMMARY

Sub Marine Services Ltd is an independent commercial marine company which was established in 1980. Our operational base is located within the Falmouth Docks complex in Cornwall, UK. As multi-disciplined marine contractors, we carry out a variety of marine based operations. We also have a marine plant fleet that includes workboats, work barges, floating cranes and associated general marine equipment. Over the past three decades we have completed thousands of projects, both large and small, for a diverse range of clients, continually ensuring the delivery of a dependable service. We have an ongoing commitment to providing an exceptional standard of service to the marine industry and we continue to develop our methods and skills to maintain our position in this sector.

DIFFERENTIATORS

- ◆ Available 24 hours a day, 7 days a week, 365 days a year
- ◆ Delivering an exceptional service to the marine sector for over 35 years
- ◆ Strong customer base of companies that use our services time and time again
- ◆ Located in a port that has excellent underwater visibility and sheltered anchorages.
- ◆ Approved by all major classification societies
- ◆ 100% positive feedback and excellent client testimonials:

"UMC has worked successfully with SMS for over 15 years on numerous diving projects. UMC have found SMS to be a reputable and professional company with a proven track record in supporting the completion of projects safely and effectively."

Paul Summers. General Manager. UMC International

"We have relied on Sub Marine Services for many years to carry out our annual mooring inspection and replacement program and have also used them for piling inspection and installation. They have always provided us with a helpful and reliable service and their work has, without exception, been exemplary. I would have no hesitation in thoroughly recommending SMS to anyone requiring in-water services"

Nick Clarence. Deputy Harbour Master. Dart Harbour

APPROVALS

We are approved by all the major classification societies for undertaking in-water surveys and are also approved by the MOD to carry out work on their vessels. We have CHAS health & safety certification and ISO 9001 Quality Assurance approval. We are regularly audited by approving bodies to ensure that we continue to operate in a safe and effective manner and our excellent standards are maintained.

CORE COMPETENCIES

- ◆ In-water survey & inspection services.
- ◆ Underwater repairs for vessels & civil structures
- ◆ Ship husbandry services
- ◆ Marine civil engineering
- ◆ Mooring installation and maintenance
