

Oil Spill? Chemical Spill?

WE HAVE THE SOLUTION!

At Zwanny we stock and supply oil booms, skimmers and skimmer systems, Portabin tide, spillkits (including refills) and absorbents, and offer spill clean up and waste management service. As we work with a number of UK and European manufacturers and we are able to offer competitive prices and short lead times on the products should you have a spill that needs cleaning up or have got Marpol or other hazardous waste streams we can collect and treat these.
